Performance data quoted represents past performance. Past performance does not guarantee future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when sold or redeemed, may be worth more or less than the original cost. Current performance data may be higher or lower than actual data quoted. For the most current month-end performance data please call 1.866.759.5679. Performance includes reinvested distributions and capital gains.

Effective December 1, 2017, Class A shares of the ALPS | WMC Research Value Fund were renamed Investor Class shares and such shares will be offered without an initial sales charge or a contingent deferred sales charge. CDSC performance for Class C shares includes a 1% contingent deferred sales charge (CDSC) on C shares redeemed within 12 months of purchase. Performance shown at NAV does not include these sales charges and would have been lower had it been taken into account.

Performance shown for Class C Shares prior to June 30, 2010 and Class I Shares prior to November 2, 1998 reflects the historical performance of the Fund's Investor Shares, calculated using the fees and expenses of Class C Shares and Class I Shares, respectively.

Performance prior to August 29, 2009 reflects the historical performance of The Activa Value Fund (as a result of a prior reorganization of the Activa Mutual Fund Trust - Activa Value Fund - into the Fund).

* Fund inception date of 8/10/71.

Effective June 12, 2018, Class A shares of the ALPS | WMC Research Value Fund were added as a new available fund class. Performance for Class A Shares prior to June 12, 2018 reflects the historical performance of the respective Fund's Investor Class Shares, calculated using the fees and expense of Class A Shares.
